

Table 6. Overview of CD activities in period 2011-2013 coordinated by NCDNCEE /CAPNUTRA

Internal Network Meetings						
	Date/ Location	Conference/ Meeting	Participants /Countries	Capacity development activities objectives	Topics at the agenda	Summary/ achievements
1.	25th-26th May, 2011, Belgrade Serbia	6th Meeting of the UNU/SCN Network for Capacity Development in Nutrition in Central and Eastern Europe (NCDNCEE)	32 participants from 15 CEE countries	<ul style="list-style-type: none"> • Assessment of CD activities • Micronutrient recommendations and adequacy assessment through Network activities 2007-2011 • Assessment of Capacity Development within Nutrition education and Network activities in 2006-2011 • Introduction of FAO Regional Food and Nutrition meeting with participation of UNU/SCN NCDNCEE • Food Composition Data Base (FCDB) Development through NCDNCEE activities 2006-2011 and future activities: partnership with EuroFIR NoE & EuroFIR AISBL 	<p>Lectures-Power point presentations:</p> <ul style="list-style-type: none"> • Presentation of the NCDNCEE main results and achievement from 2006- 2011 • Presentation of CD activities in countries where collaboration with NCDNCEE • How was NCDNCEE –EURRECA NoE cooperation? The results of EURRECA and Network activities • EURRECA “Nutri-RecQuest” web-based tool on current micronutrient recommendations • Micronutrients intake/status adequacy assessment in CEE countries • Assessment of Capacity Development within Nutrition education and Network activities in 2006-2011, Topics covered in Network activities • Identified new training and nutrition education needs of the CEE area. Comparing with the Networks framework • Improving nutrition: what approaches and priorities for an effective intersectoral action? • Internet-based communication support for UNU/SCN Network for Capacity Development in Nutrition (and other Thematic Knowledge Networks) • Initiative to publish monograph of Network activities • Introduction and the role of Centre of research excellence in nutrition in future capacity development activities • Key results from EuroFIR NoE and introduction of EuroFIR AISBL • What did NCDNCEE achievements in FCDB activities in collaboration with EuroFIR NoE (2006-2011) , • Country presentations: FCDB situation and achievements. • EuroFIR- Nexus project presentation • Development of Regional Food Composition Data Base 	<p>Gurinovic M, Glibetic M, Ranic M, Djekic Ivankovic M, Oshaug, A Report of the 6th Meeting of the UNU/SCN Network for Capacity Development in Nutrition in Central and Eastern Europe (NCDNCEE), 25th-26th May, 2011, Belgrade, Serbia, +video film www.capnutra.org</p>

					<p>of Balkan Food Platform with EuroFIR-Nexus & NCDNCEE</p> <ul style="list-style-type: none"> • Workshop: Regional Food Composition Data Base: Web based Food Comp Data Management (FCDM) software application in Balkan Food Platform development • Presentation Memorandum of Understanding (MoUs): principles and commitments to deliver food composition data to the Balkan Food Platform • Conclusions and agreement on future FCDB activities 	
2.	21-23 January 2013, Belgrade Serbia	First Symposium; Capacity Development in Nutrition and Food Research in Central and Eastern Europe (CAPNUTRA): Balkan Food Platform - Regional Food Composition Data Base development	32 participants from 13 CEE countries	<ul style="list-style-type: none"> • FCDB training and Capacity development activity needs • Regional Food Composition Data Base workshop. The overview of tools for Food and Nutritional research • Web based Food Comp Data Management (FCDM) software development of Balkan Food Platform • NCDNCEE sustainability plans: Introduction of the Capacity Development Network in Nutrition in Central and Eastern Europe, (CAPNUTRA) 	<p>Lectures-Power point presentations:</p> <ul style="list-style-type: none"> • EuroFIR AISBL - Nexus project achievements and future • Development of Regional Food Composition Data Base (FCDB) of Balkan Food platform with EuroFIR-Nexus & NCDNCEE • The presentation of NCDNCEE activities in the past and the future • Country presentations: FCDB training and Capacity Development activity needs • Identification of regional training needs and future priorities in food and nutrition research – summary presentation by IMR • Nexus deliverable 4.6. Final report on Balkan Food Platform and recommendations for future integration of WBC/EECA countries • EuroFIR nexus -Presentation and Memorandum of Understanding (MoUs): principles and commitments to deliver food composition data to the Balkan Food Platform • The overview of tools for Food and Nutritional research IMR compiler team. Web based Food Comp Data Management (FCDM) software application in development of Balkan Food Platform- Regional Food Composition Data Base, update with recipes, • Serbian FCDB presentation with recipes • Workshop: Recipe input in Regional FCDB and link with DIET-ASSESS Software (collection of traditional recipes from workshop participants, input of composite dishes ingredients into software, reporting for recipe nutrient content and input of recipes nutrient content ingredients into Regional Food composition data base) • Introduction of the Capacity Development Network in Nutrition in Central and Eastern Europe, (CAPNUTRA); objectives, structure, members and activities- 	<p>Gurinović M, Glibetić M, Milešević J, Kadvan A, Ranić M, Finglas P, Oshaug A , Report of the First Symposium of the Capacity Development in Nutrition and Food Research in Central and Eastern Europe (CAPNUTRA): Balkan Food Platform - Regional Food Composition Data Base development, 21-23 January 2013, Belgrade, Serbia, +video film www.capnutra.org</p>

					<ul style="list-style-type: none"> • EuroFIR AISBL and EC projects collaboration • Bilateral collaboration: Croatia / Serbia • Involvement of individual SME, clusters and Chamber of Commerce, Role and function of cluster organizations – Herbal PharmaNet Cluster in Serbia • Cost action examples 	
Trainings and Courses with participation of Network members						
	Date/ Location	Training/Course	Participants/C countries	Capacity development activities objectives	Topics at the agenda	Webpage
1	16 - 26 October 2011 Wageningen University, Division of Human Nutrition, NL	10th International Graduate Course on the Production and Use of Food Composition Data in Nutrition	3 participants from CEE were awarded EuroFIR-NEXUS bursaries	Attendees were trained in constructing FCDB and management of the dataset	<ul style="list-style-type: none"> • Postgraduate Course on the Production and Use of Food Composition Data in Nutrition 	http://vlaggraduateschool.nl/courses/food-comp-2011.pdf
2	7-17 October 2012 Tübytak Marmara Research Center Food Institute, TR and EuroFIR	11th International Postgraduate Course on the Production and Use of Food Composition Data in Nutrition	3 participants from CEE were awarded EuroFIR-NEXUS bursaries	Attendees were trained in constructing FCDB and management of the dataset	<ul style="list-style-type: none"> • Postgraduate Course on the Production and Use of Food Composition Data in Nutrition 	http://www.vlaggraduateschool.nl/courses/food-comp-2012.pdf
3	4-6 December 2013 Budapest and Godollo, Hungary	Workshop on Developing Knowledge-Sharing Partnerships in Europe and Central Asia	1 participant from CEE awarded FAO bursarie	Experts representing 14 countries in Europe and Central Asia discussed trends and opportunities for regional collaboration on research, extension and agricultural innovations and capacity development.	<ul style="list-style-type: none"> • To raise awareness on the trends in Agricultural innovation systems and information and knowledge-management; • To refine the countries and community needs for knowledge-sharing in the region; • To share experiences and good practices on networking in the region; • To expound on the modalities to achieve improved knowledge-sharing; • To recommend follow-up actions. 	http://www.agrowebc.eu.net/awhu/ksp-workshop-2013/

**Dissemination: participation at national / regional / international conferences
(oral presentations/posters)**

	Meeting name/place	Title of presentation / reference (if available)
1	9th International Food Data Conference, 14th - 17th September 2011, Norwich, UK	Glibetic M, Gurinovic M, Kadvan A, Djekic-IvankovicM, Satalic Z, Korošec M, Spiroski I, Oshaug A, "Development of Regional Food Composition Data Base (FCDB) for West Balkan Countries (WBC) ", Abstracts, p 51 oral presentation
2	11th European Nutrition Conference (FENS), 26th - 29th October 2011, Madrid, Spain	Mirjana Gurinovic „Capacity Development in Nutrition in Central and Eastern Europe: Challenges and achievements”, Session/Workshop : Institutional Capacity Development in Nutrition and Nutrition Leadership Programme in Europe, oral presentation, invited lecturer Glibetic M., Gurinovic M., Kadvan A., Debeljak-Martacic J., Korosec M., Satalic Z., Spiroski I., Oshaug A., Holman P., & Finglas P.M., “Development of regional Food Composition Data Base (FCDB) for West Balkan countries (WBC)”, [Annals of Nutrition and Metabolism, 2011, 58, 404-405], poster presentation
3	World Nutrition Conference 27th - 30th April 2012, Rio de Janeiro, Brazil	Gurinovic, M. Glibetic, M., Oshaug, A., Dupouy, E., Novakovic, R., Ranic, M., Satalic, Z., Spiroski, I., Hadziomeragic, A., Finglas, P, "Results From Capacity Development Experience In Nutrition In Central and Eastern Europe", book of abstract CD, oral presentation
4	6th Central European Congress on Food, CEFood congress “EuroFoodNetDay-23rd - 26th May 2012 - Novi Sad, Serbia	Mirjana Gurinovic, Maria Glibetic, Arne Oshaug, Eleonora Dupouy, Agnes Kadvan, Romana Novakovic, Maria Ranic, Marina Nikolic, Zvonimir Satalic, Igor Spiroski, Mojca Korosec Aida Hadziomeragic, Paul Finglas, "Capacity development in food and nutrition in central and eastern Europe", Abstract book, pp 591-592- oral presentation Mirjana Gurinović , Marija Djekic-Ivankovic, Zvonimir Šatalić, Marina Nikolic, Irena Colić Barić, Irena Keser, Matea Ivković, Marija Glibetić, "Comparison of two food composition databases in estimating folate intake among young women", Abstract book p 142 - poster presentation
5	12th Congress of Nutrition - Nutrition to Health in 21st Century - 31st October - 3rd November 2012, Belgrade, Serbia	Gurinović M, Glibetić M, "European project activities in the centre of research excellence in nutrition and metabolism in Serbia" pp 416-418 – oral presentation
6	EuroFIR NEXUS 2nd annual meeting and conference: Developments in Food Composition Information Systems Supporting ethnic and traditional food in Europe, March 5-6, 2013, Ljubljana, Slovenia	Gurinovic M, Glibetic M, Kadvan A, Milesevic J, Satalic Z, Ranic M, KorošecM, Spiroski I, Oshaug A, Finglas P, “Shaping and implementing the Balkan Food Platform”, Programme and abstracts, p24, oral presentation Glibetic M, Gurinovic M, Kadvan A, Milesevic J, Nikolic M, Novakovic R, “Nutritional research tools harmonized with EuroFIR recommendations used in food compositions information systems”, Programme and abstracts p70, oral presentation

		<p>Pakkala H, Kadvan A, Koroušić Seljak B & Bell S, "FoodEXplorer: A new interface for European food composition databases", Programme and abstracts p51, oral presentation</p> <p>Koroušić Seljak B, Kadvan A, Pakkala H & Bell S, "EuroFIR FoodBasket: A simple recipe calculator", Programme and abstracts p 54, poster presentation</p> <p>Milešević J, Gurinović M, Kadvan A, Ranković S, Nikolić M, Petrović S, Glibetić M, "Traditional food consumption and nutrition risk factors among different social groups in Serbia", Programme and abstracts 59, poster presentation</p>
7	Workshop on "Trans fatty acids in diets: health and legislative implications", 9-10 April 2013, Zagreb, Croatia	<p>Mirjana Gurinović, Maria Glibetić, Agnes Kadvan, Paul Finglas, "Capacity development and harmonization of the food composition data bases with EuroFIR standards in CEE /Balkan countries", oral presentation</p>
8	10th International Food Data Conference, Granada, Spain, 12-14th September 2013	<p>Gurinović M, Milešević J, Kadvan A, Djekić Ivanković M, Debeljak-Martacić J, Takić M, Ranković S, Finglas P, Glibetić M, "Establishment and advances in the first online Serbian food and recipe data base harmonized with EuroFIR standards", Book of abstracts, p44, oral presentation</p> <p>Gurinović M, Glibetić M, Kadvan A, Milešević J, Novaković R, Finglas P., "Capacity development (CD) in food composition data base (FCDB) and harmonization of the dietary intake monitoring tools: Balkan food platform in central and eastern European (CEE) region, 10th International Food Data Conference", Book of abstracts, p 23-24, poster presentation</p> <p>Kadvan A, Koroušić Seljak B, Glibetić M, Gurinović M, Bell S, Pakkala H and Finglas P, The EuroFIR food basket: an online web tool for recipe calculation and menu planning, 10th International Food Data Conference, Book of abstracts p25, poster presentation</p>
9	20th International Congress of Nutrition. Granada, Spain, 15-20 September	<p>Gurinović M., Glibetić M., Oshaug A., Dupouy E., Novaković R., & Finglas P. (2013) "Capacity development (CD) in nutrition in Central and Eastern Europe (CEE)", <i>Abstracts</i>, [Ann NutrMetab 2013; 63, (suppl 1): 1–1960 - DOI:10.1159/000354245] poster presentation</p>
