INVITATION

After two successive and well received MESMAP Symposiums, the organizing committee is honored to invite you to "The 3rd Mediterranean Symposium on Medicinal and Aromatic Plants (MESMAP-3)" which will be held at Merit Park Hotel in Girne (Kyrenia), Turkish Republic of Northern Cyprus (TRNC) during April 13-16, 2017.

This scientific-based organization is of important forums to bring together all the stakeholders in the MAP and/or NWFP sectors. Despite of the fact that the title of the symposium contains "Mediterranean", this big event welcomes the participants from all climates. MESMAP-3 scientific program covers all related aspects of MAPs and NWFPs. A rich social program throughout the symposium will be also provided for informal interactions, which include welcome reception, gala dinner, congress tour, and closing ceremony. The selected papers will also be published in a distinguished scientific journal after scientific evaluation.

Cyprus Island, in the middle of east Mediterranean, being the symposium location, is a worldwide reputed city that located in the Mediterranean Sea with rich in biological, cultural, natural, and historical beauties. To be in Cyprus for this distinguished scientific event will be an amazing experience for you and good memories to take back your home.

We look forward to welcoming you to Girne (Kyrenia), Turkish Republic of Northern Cyprus (TRNC) in 2017 spring.

Sincerely yours,

Prof. Dr. Nazım ŞEKEROĞLU
Chairman of MESMAP Symposiums
President of AMAPMED
General Coordinator of GOFMAP
