

WOCMAP VI

6th World Congress on Medicinal and Aromatic Plants

It is my utmost pleasure to invite you to the 6th World Congress on Medicinal and Aromatic Plants for Human and Animal Welfare (WOCMAP VI) which will be held on 1-5 May 2019 in Antalya, Turkey.

WOCMAP series of congresses have been organized since 1992 in every five years at a different continent. It is the official congress of the International Council for Medicinal and Aromatic Plants (ICMAP). (For more info on ICMAP please visit icmap.org).

WOCMAP has been reputed as a congress covering all aspects of medicinal and aromatic plants ranging from ethnobotany, botany, chemistry, pharmacology, biological activity, standardization, adulteration, technology, pharmacy, medicine, cosmetics, food use, flavours and fragrances, regulatory activities to trade and commerce including uses for human and animal welfare. World renowned experts in the above fields will be invited to give plenary and keynote lectures to enlighten the audience on latest developments in their respected fields. You are cordially invited to attend the congress and contribute with your latest findings in the form of oral and/or poster presentations.

Please follow our website regularly for new developments and announcements.

We shall do our utmost to make the meeting as fruitful and enjoyable as possible.

I look forward to meeting you on 1-5 May 2019 in Antalya, Turkey.
